Introducing SCV's Retractable,
the No.1 Banner Display System
Worldwide!

Stylish Visuals

Sleek and modern design makes it a stylishly potent form of communication.

Easy Setup

SCV's Retractable utilises advanced technology to increase the ease of use during set up.

Easy Transportation

The single sided Retractable weighs approx 2.5kgs making it lightweight for easy transportation, storage and the ability to automatically roll up inside the unit when not in use.

1 Size Only: 900mm x 2000mm
